```

5)Copee is a hard-working cop. He found a case and almost at the verge of cracking it. It could be his best breakthrough. He has the list of criminals but lots of duplicates are there. He needs to find the only one that is different. He sought your help. How will you sort this issue?

uniq <file\_name>

6)What are the Three parts of file's permission?

1)Read permission

2)Write permission

3)Execute permission
